George J. Giokaris, Ed.D.
Superintendent

Benjamin Wolf, Ed.D.
Principal

June 15, 2012

To Whom It May Concern:

I was asked to write a letter of recommendation for Steven Benner, and I do so with great pleasure. I've known Steven for approximately one year as a Substitute Teacher. He is my preferred substitute whom I usually ask to teach my classes whenever I am absent. Steven is liked and respected by all students. While in the classroom, he is very influential and successful helping our students. Steven's ability to teach mathematics allows him to present entire lessons to my students and he does it with great poise and professionalism.

During the time I've had Steven substitute my classes; Steven has also served as a mentor. His experience and knowledge has provided students with several resources and opportunities of programs and services available to them. Students always report that he is very helpful. My students usually "request" that I have Mr. Benner substitute my classes whenever I am absent.

I have a great deal of respect and confidence in Steven's capability because I've seen him in action. He is a great asset to Buena Park High School and an excellent Substitute Teacher who is not only skilled and experienced, but he has demonstrated that he is someone who truly cares and puts students first and foremost. I recommend Steven for any position at any level with no reservation.

Should you have any further questions, please do not hesitate to call or email me at 714.992.8703 or frrodriguez@fjuhsd.k12.ca.us

Sincerely,
